**KIWANIAN HOLD
"LADIES' NIGHT"
AT ALEXANDRIA**
Professional and Local
Entertainers Provide
Merriment.

THE HERALD BUREAU,
A. & Bonaparte,
727 King Street.

ALEXANDRIA, Va., Dec. 1.—The
Kiwian Club tonight gave its first
"ladies' night" celebration in the
auditorium of the Elks' home, at-
tended by about 250 persons,
among whom were more than 100
women. From the very start the
Kiwian caused things to happen
and there was not one dull mo-
ment. There were songs and

music a plenty and professional en-
tertainers from Washington helped
in the evening's amusement. Col.
Julian Y. Williams, president of the
club, presided.
A number of Washingtonians
were in attendance. Kenneth W.
Ogden and Charles Roberts, the
latter of Washington, were song
leaders. Selections were given by
George H. O'Connor, of Washington,
and Mr. Ogden. A brief address
was given by Col. Williams, and
others who were called on during
the evening for speeches were J.
D. Hank, John J. Boobar, Charles
Roberts and George Baker, of
Washington.
George E. Warfield was called to
the stage by J. Randall Caton, Jr.,
and presented with a handsome cut
glass dish. The joke was on Mr.
Warfield, for at the last words of
the long speech Mr. Caton dropped
the gift, a cheap glass affair, and
President Williams called upon the
Kiwian to sing "Smile."
Forty boost prizes were distrib-
uted to the women, the work being
done by J. Randall Caton and the
Rev. Dr. E. V. Regester. The lucky
numbers were drawn by Miss Cour-
ney Cochran. An excellent supper
was served by a committee of wom-

en under the direction of Miss Cora
Cochran. The festivities ended with
the singing of "God Save the King."
Baron Frederic Portalis, president
of the firm of Portalis and Com-
pany, Ltd., international bankers
and merchants, of Buenos Aires and
Paris, who arrived Monday in New
York, will come to Alexandria to-
morrow night and spend several
days at the home of Robert S. Bar-
rett. He will be accompanied by
his wife.
Walter Johnson, colored, charged
with the fatal shooting of Charles
and Elmer Ferris, colored brothers,
who was to have been tried before
a jury in the Corporation Court to-
morrow, has had his trial postponed
to Monday.
The funeral of Cassius Brenner,
82 years old, who died Tuesday,
took place this morning at 10
o'clock in the St. Paul's mortuary
chapel. Rev. John Lee Allison, D. D.,
pastor of the Second Presbyterian
Church, officiating. Burial was in
the Methodist Protestant Cemetery.
Mayor J. M. Duncan today issued
a proclamation calling upon the
citizens interested in the ultimate
aims of public education to give
as much time and consideration to
the subject as time will permit in
accordance with the recent procla-
mation of the President. The mayor
set apart the week of December 4-
10 as a week of special educational
effort.
Policeman Haywood Durrer was
accidentally shot in the left arm this
afternoon while engaged in target
practice at the farm of his father
in Fairfax County. The wound was
inflicted by Dr. M. D. Delaney. The
bullet glanced back, entering his
arm.
The concert which was to have
been given yesterday by the choir
of St. Paul's Church will be given
the evening of December 12.
The twenty-fifth anniversary of
their organization tonight was
celebrated by Mount Vernon Council
No. 1, Daughters of America.
Mr. and Mrs. James R. Caton last
night celebrated their golden wed-
ding anniversary at their home, 212
North Columbus street. Members
of their family and a number of
friends called to extend their con-
gratulations.
William R. Griffith Dies.
ROCKVILLE, Md., Dec. 1.—Will-
iam R. Griffith, aged 70, a farmer
of Laytonville district, this county,
died early this morning at his home.
He is survived by his wife and the
following children: Mrs. H. K. Fleck,
of Baltimore; Mrs. William Riggs,
of Howard County; and Mrs. David
Clark; Lycurgus, Jeffery M. and Wil-
liam W. Griffith, of this county.

**British Work Hard
On Irish Offer**
Ulster Extremists Doing All
Possible to Wreck
Settlement.

LONDON, Dec. 1.—The British
members of the Irish conference are
working at high pressure to com-
plete the details of a new offer to
the Sinn Fein by next Tuesday. The
Sinn Fein is now in possession of
the main outlines, but the plan it-
self probably will be handed to the
delegates tomorrow.
Arthur Griffith and Michael Col-
lins are crossing to Ireland to-
morrow night. Robert Barton went to
night, and the week-end will be
spent in conferring with the lead-
ers of Ireland in preparation for the
fateful meeting of the British
cabinet, which probably will be
summoned for Monday.
The principal features of the new
plan are said to include dominion
rule for Ireland with a two-cham-
ber parliament, Ulster having the
right to reject any features it does
not approve, and a possible pub-
lic sale in Ulster. New boundaries for
Ulster also are being discussed.
Ulster extremists are doing
all in their power to wreck the
settlement. William Cooté, a mem-
ber of the imperial parliament and
leader of the opposition in the Ul-
ster parliament, addressing Orange-
men in West Belfast today, said
that the Orangemen would insist
that only Protestants be employed
in the farms, shops and businesses.
Adding that the Catholics were all
blackguards. He declared that the
Sinn Feiners were coming over the
border and burrowing into Ulster
like rabbits, accepting work at any
price to get in and then "giving the
loyalists a scare."

NUXATED IRON**
For Greater Physical and Mental
Vigor, Strength, Energy
and Endurance.
Nuxated Iron not only contains
the principal chemical consti-
tents of living nerve force, ready
to be transformed into active
living nerve force the moment
it enters the body, but it also
contains valuable ingredients for
enriching the blood and stimu-
lating the blood to manufacture
an increased supply of new nerve
force.
Surprising results are often ob-
tained in two weeks' time. Nux-
ated Iron has been used and
highly endorsed by former United
States Senators, Members of Con-
gress, Judges of United States
Courts, and many prominent
people. Even the Pope at Rome
wrote an interesting communi-
cation in its behalf. Sold by all

Dentists, for some time, have
been advising the use of milk
of magnesia as a mouth wash, be-
cause this liquid reaches every
exposed part of the teeth, coun-
teracts acid mouth, makes the
saliva alkaline and thus prevents
the principal cause of decay.
Still better is the use of the new
tooth paste which contains milk
of magnesia and thus answers
for both dentifrice and mouth
wash. Its name is Mac Loe. It is
very pleasant to use and is
being prescribed by many den-
tists. Get a tube today at any of
